Dear Parent

For registration as a home school the following forms need to be completed as per web site:

- Parent Commitment Form. (Reg. with WCHAEA)
- Application for the ACE program – ACE home schooling registration form.
- WCED forms - Registration for a Learner for Education at home. **Please submit this form personally to the W.C.E.D. Circuit Office/submit it on the W.C.E.D. website.**
- ACE Home Education Service Agreement form.
- You need to get a Transfer letter (and a relevant letter if your child attended a school Registered on the ACE Program to confirm that they are aware of the fact that you are planning to home school) from your student's previous school.
- The deposit slip for the Reg. and Training fee (R1 350) with the WCHAEA (Western Cape Home Educators Academy - me) as per Infoletter needs to be sent to me.
- Final registration will be confirmed via e mail only after the full payment of R2 853 has also been made to ACE.
- **Please ensure that you have signed at all relevant places on every page and not just written your name at the places meant for Signatures. This includes the signatures for the witnesses on the relevant forms.**

I need all the documents to be scanned in and e mailed to me at one of the following e mail addresses, I will then upload it onto ACE's system :

- axel@wchea.co.za
- axel_vdg@mjvn.co.za

I trust you will be at home on a full time basis in order to educate your student and that you will **only** be home schooling your **own** child/ren.

Your student needs to do a set of Diagnostic Tests as per this Website. They will thus be done **online** and will be **free** of charge. **There is a link on the Curriculum Page of this website** that you need to go to, in order to register for the online Diag. testing in Math, Eng, SS/Sc (Reading) and Word Building. **Please e mail the results of these tests to me.**

These tests **are R700 per set when ordered from me in book format**, should you decide not to do them online. You will then need to deposit the R700 into my account as per Infoletter, and send the deposit slip (with your postal address) through to me, in order for me to send these tests to you via the post. I will first have to order these book based tests from ACE, should you decide to do them book based and not online.

You are welcome to contact me should you need more information.

God bless
