Dear Parent

For registration as a home school the following forms need to be completed as per web site:

- Parent Commitment Form. (Reg. with WCHAEA)
- Application for the AEE program – AEE home schooling registration form.
- WCED forms - Registration for a Learner for Education at home. Two copies, One for you and one to give to your WCED Circuit Manager for Registration with the WCED. You can get his tel. no. from the closest Gov. School in order to ask the Circuit Manager to which location you must send this form. **Please get any of the Dept. officials that receive your documentation to sign for it, keep this on record, and send a copy to me with all the registration documents. (The WCED now have an online reg. form available on their website, under “Home Schooling”.)**
- AEE Home Education Service Agreement form.
- You need to get a Transfer letter (and a relevant letter if your child attended a school Registered on the AEE Program to confirm that they are aware of the fact that you are planning to home school) from your student's previous school.
- The deposit slip for the Reg. and Training fee (R1 350) with the WCHAEA (Western Cape Home Educators Academy - me) as per Infoletter needs to be sent to me.
- Final registration will be confirmed via e mail only after the full payment of R1 520 has been made to AEE.
- **Please ensure that you have signed at all relevant places on every page and not just written your name at the places meant for Signatures. This includes the signatures for the witnesses on the relevant forms.**

I need all the documents to be scanned in and e mailed to me at one of the following e mail addresses, I will then upload it onto AEE's system :

- axel@wchea.co.za

I trust you will be at home on a full time basis in order to educate your student and that you will **only** be home schooling your **own** child/ren.

Your student needs to do a set of Diagnostic Tests as per this Website (if they are currently not in an ACE School, and are Gr. 2 and above). They will thus be done **online** and will be **free** of charge. **There is a red link on the "CURRICULUM" page of this website's** that you need to go to, in order to register for the online Diag. Testing in Math, Eng, SS/Sc (Reading), Word Building. **Please e mail the results of these tests to me.**

If a student passed Afrikaans in their latest school, they can normally cope with that subject on the ACE program at their chronological age level.

These tests **are R750 per set when ordered from me in book format**, should you decide not to do them online. You will then need to deposit the R750 into my account as per Infoletter, and send the deposit slip (with your postal address) through to me, in order for me to send these tests to you via the post. I will first have to order these book based tests from AEE, should you decide to do them book based and not online.

You are welcome to contact me should you need more information.

God bless
